CONDITIONS OF SALE

1. All bids to be PER PIECE as numbered in the catalogue, unless otherwise mentioned.

2. The highest bidder to be the buyer. In all cases of disputed bids the lot shall be resold, but the auctioneer will use his judgment as to the good faith of all claims, and his decision shall be final.

3. Any bid which is not commensurate with the value of the article offered, or which is merely a nominal or fractional advance, may be rejected by the auctioneer if in his judgment such bid would be likely to affect the sale injuriously.

4. No bids may be received after the fall of the auctioneer's hammer, at which time title to the merchandise passes to the highest previous bidder. Thereafter all risk of loss by theft, fire, breakage or any other cause whatsoever is upon the purchaser and the Galleries and the owner have no further responsibility therefor.

5. Each successful bidder is required immediately after bidding on any lot to give his name and address in writing, and to pay such deposit as may be required by the Galleries on account of the purchase price, and in default thereof, the Galleries may in its discretion again offer and resell the lot or lots in question.

6. All lots are to be removed by the purchaser at his expense and risk before noon of the day following the sale, and upon such removal the balance of the purchase price shall be paid. Articles not so removed by noon of the day following the sale may be stored by the Galleries in any warehouse of its selection pending delivery to the purchaser, all costs of removal and storage and other charges and all risk of loss or damage to be borne by the purchaser. The Galleries further reserves the right in its discretion to cancel the sale of any articles not removed and paid for as above provided, and to resell the same at public or private sale without further notice for the account of the buyer and to hold the buyer responsible for any resulting deficiency, together with all costs and expenses of the resale, but this provision shall be without prejudice to the right of the Galleries to retain the cash deposit paid by the buyer and apply the same on account of any such deficiency, and without prejudice to any other rights and remedies of the Galleries or the owner, and shall be deemed an additional remedy.

7. Unless the sale is advertised and announced as absolute and unrestricted, owners reserve the right to bid.

8. The Galleries exercise great care to catalog every lot correctly and endeavor therein and also at the actual time of sale, to point out any error, defect, imperfection, incorrectness of description, genuineness, authenticity or condition of any lot. The Galleries act only as an agent on behalf of the seller and sell every lot as is and without recourse to the Galleries.

9. Buying or bidding by the Galleries for responsible parties on orders transmitted to it by mail, telegraph, or telephone, if conditions permit, will be faithfully attended to without charge. Any purchases so made will be subject to the foregoing conditions of sale. Orders for execution by the Galleries should be given with such clearness as to leave no room for misunderstanding. Not only should the lot number be given, but also the name of the object, and a bid on several objects catalogued under a single number should be stated to be so much per piece unless the description contains the notation "(Lot)", in which case the bid should be stated to be so much FOR THE LOT. If the one transmitting the order is unknown to the Company, a deposit must be sent or reference submitted. Shipping directions should also be given.

10. The Galleries will afford every facility for the employment of carriers and packers by the purchasers, but will not be responsible for any damage arising from the acts of such carriers and packers.
